## School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019—20)

Ellwood School is one of nine schools in the Goleta Union School District, and one of the oldest, dating back to its days as a one room school house in the 1930's. Over the years, multiple additions have added to the size and capacity of the school. We now serve approximately 400 students from grades kindergarten through six. We are also proud to have a district pre-school program on our campus. Our beautiful campus is unique as it resides across from the Ellwood Bluffs and the Pacific Ocean. Our teachers and staff make sure to teach students about our school's unique location and environment as part of their coursework.

Our academic program is rigorous, yet we take time to meet the social and emotional needs of our students as well. Our staff follows the tenants of the Professional Learning Community. We believe that by working together we are stronger. We use data to analyze student needs and how to improve our instruction and student learning.

A vital part of Ellwood School is our strong parent and community involvement. Parents are involved in all aspects of our school and we have strong ties to the community.

The mission of the Goleta Union School District is to maximize academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world.

## School Facility Conditions and Planned Improvements

Overall site is in moderate condition. The facilities on this site are beginning to show its age as significant capital improvements will need to be made soon. For the most part, the site is kept clean, but additional custodial staff may be needed to enhance cleaning. Asphalt recently slurry and sealed within the last six months. The roof structure is nearing the end of it's useful life and will need to be replaced, and the entire site needs to be painted. Heaters are old and need to be replaced. Lots of cobwebs and the floors need to be cleaned to GUSD standards. The backwall on the stage needs to be completely replaced.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	57.0%	59.0%	62.0%	65.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	51.0%	51.0%	59.0%	60.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

We have a strong PTA organization that helps the school in many ways, including providing educational and cultural learning experiences for our students, providing support for teachers and school programs, providing community events, providing financial assistance for school programs and helping make school decisions. Parents can contact our school PTA at [ellwoodpta@gmail.com](mailto:ellwoodpta@gmail.com).

Parents also serve on multiple school committees including our School Site Council and our English Learner Advisory Committee. Information on joining these groups can be done through the school office or the principal, Ned Schoenwetter at [schoenwetter@goleta.k12.ca.us](mailto:schoenwetter@goleta.k12.ca.us).

Parents are also encouraged to volunteer in classrooms at Ellwood School. Please contact your child's teacher to find out how you can help.

## School Safety Plan (School Year 2019—20)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

**Security:** The school posts required public signs to communicate rules prohibiting smoking, skateboarding and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concern.

**Emergency Preparedness:** The school updates the emergency plan annually. Periodically, a staff in-service is held for members to review his or her role in an emergency situation according to the plan. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response and recovery to teach all students and staff to be prepared should any emergency occur.

**Supervision of Students:** Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

**Badge Identification System for Employees, Volunteers, and Visitors:** Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers or visitors are required to wear a pocket or lanyard identification badge. Visitors and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.
